

London's Poverty Profile provides evidence on and insight into poverty and inequality in London. It shines a light on these issues to prompt action from local and national government, the third sector, faith groups, practitioners, experts, businesses, the public and indeed anyone who cares about making London a fairer city to live in.

This factsheet draws together insights specifically for Hounslow from the wider set of indicators published in London's Poverty Profile.

For details of the data sources and methods used please see <https://trustforlondon.org.uk/data/boroughs/overview-of-london-boroughs/>

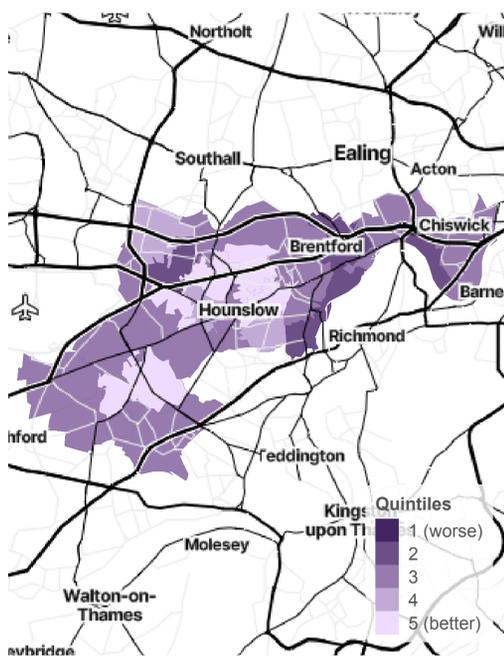

The chart above summarises the boroughs' indicators across each of our themes. The center represents worse performance, outer rings better

Key Points

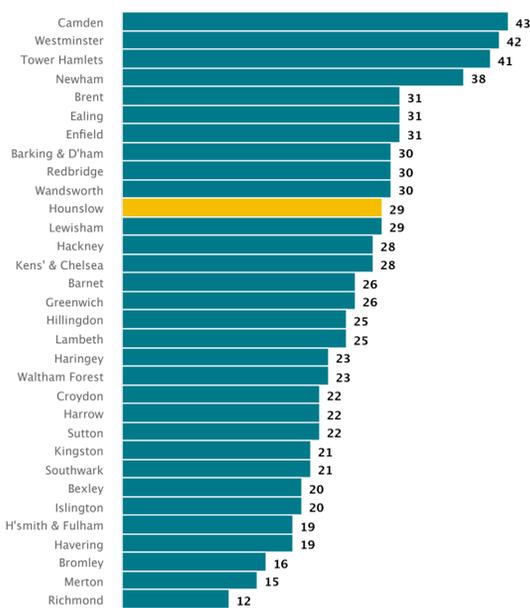

- In 2022/23, 29% of people in the borough lived in households with an income of less than 60% the UK median after housing costs have been subtracted. This was around the same as the average London Borough.
- 32% of children in the borough lived in households with an income of less than 60% the UK median after housing costs have been subtracted in 2022/23. This was around the same as the average London Borough.
- In Hounslow, 19.5% of residents were estimated to be earning below the Living Wage in 2023. This was around the same as the average London Borough.
- There were 5.16 households per 1,000 in temporary accommodation in 2024 Q1, better than the average London Borough.
- Unemployment change in 2024 Q1 at -0.5 percentage points from 3 years ago was around the same as the average London Borough.
- Hounslow owed 1.59 per 1,000 households a main homelessness duty in 2024 Q1, around the same as the average London Borough.
